

St Mark's School Newsletter

Issue 32
18 October 2017

Welcome back to Term 4,

I hope you all had a chance over the school holidays to enjoy some quality family time. The staff have planned some interesting and worthwhile learning experiences for our students this term. It was great to see how refreshed and ready the children were on Monday morning at the start of the new term.

As you know, Averil is in Italy enjoying a pretty special adventure and catching up with family at the same time. She will be back in the third week of the term.

I would urge you to keep a close eye on the "Coming Events" section of this newsletter and the school calendar. There is so much happening this term! We have Athletics Day, Teacher Only Day, Waka Puhara Camp, Year 7 Leadership Camp and a host of other events scheduled.

We welcome new families to our school this term, Olivia H and her parents Gareth and Victoria, Jackson O and his parents Simon and Nicola, Isabel H and her parents Dan and Steph, Jasmine G and her parent Stella and Ariya S and her parents Nathan and Serena and brother Cruze. We welcome you all to the St Mark's family. May your family find here a turangawaewae, God's love and much happiness.

We have just received the latest set of ICAS Test results, this time for Maths. Students achieving Merit Awards were Bella E and Ashley P.

Students achieving Credit Awards were Hannah A, Michael C, Kaelan G, Olivia B, Peter S, Hannah W, Ollie C, Mike A, Sophia G achieved Distinction in the test, a great result. Congratulations to all our St Mark's mathematicians.

Cristy Yonetani and Averil were pleased and heartened to see such a great turnout to the special event they hosted at the end of last term around E Learning. As we take the important steps towards BYOC it was heartening to see so many parents interested and engaged in the process.

Just a reminder that Tuesday, 24 October is a Teacher Only day. Enjoy the extra long weekend!

Blessings to all,
Adrian Rennie
