

# St Mark's School Newsletter

Term 3 Week 7  
2 September 2020

## Kia ora St Mark's School!

"Mrs Worner the blue hand sanitiser smells like oreo's"! A small mercy!

Thank you for your continued support at both gates. Just a gentle reminder that if you do need to be onsite at the office to collect children for example that the COVID tracing app is to be used in the foyer or at the office desk.

## Community Consultation - Curriculum

To date there are 48 responses to our survey. We are so thrilled about this but we are hoping that more of you will be able to complete it. This process allows you to communicate to us along standard questions and some that are particular to our school. One outcome already is the lack of visibility of the Five Marks of Mission on our website. Rev'd Ben has crafted wonderful explanations which will be placed on our website by the end of the week.

## Centennial - April 9th - 11th 2021

The committee meet again next week with the finalisation of the program, costings and dinner as the topics of conversation. Once we have these things well in hand we can then go to the community and wider to gather our school family next year. The current COVID climate is something we cannot ignore and must be factored into our work.

## Partnership/Mahi Ngātahi - the work of being together

**Mr Adrian Rennie** is reviewing all "systems", including pre and post Covid restrictions with the goal of increasing efficiency and efficacy. If you would like to communicate directly with him, please use his email:  
[a.rennie@saintmarks.school.nz](mailto:a.rennie@saintmarks.school.nz)

## Kapa haka

Our team is practising so hard under the expert guidance of **Matua Steve**. The Tūhono Festival is on **Saturday 19th September** in the Town Hall this year - thank you to all those whānau who will help make this happen. They are sounding fantastic already. If there are any changes to this date we will let you know as soon as possible.

## From Year 6 students

### *Mrs Worner's missing cup (fictional)*

*We started off with a sheet of paper with every teacher's name on it. As we worked through a series of maths activities we could cross off a teacher's name. We did multiplication algorithm's, perimeter and area, and decimals. Mr Gordon used Mrs Worner's cup out of jealousy, but Mrs Brereton and Mrs Bigelow stole the cup! **Nathaniel B.***

### *Debating*

*Lately the Year 6 and 7 have been working on debating skills. Topics include gaming consoles and cloning and the USA. We have also been enjoying honing our table tennis and athletics skills. **Joe R***

## Schooldocs URL

In consultation with the schooldocs team a new URL has been created to be more in line with our other links. The shift from St Marks to **saintmarks** is not only more consistent but matches other things such as staff email addresses and our website link. NOTHING has changed in terms of school docs just that the addresses are:

<https://saintmarks.schooldocs.co.nz> with the user name being **saintmarks**

See you at the gates!  
Blessings Averil.

**SUNDAY 13<sup>TH</sup>  
SEPTEMBER**

**10 AM**

# YOU'RE INVITED

## Welcome to Worship

This Sunday we're very excited to invite the children and families of Mōkihi to join us for worship. Joint services between the parish and school have been a part of our shared life since the school's beginning and we greatly value the connection. They are an important part of the special character life of the school and attendance at them is expected.

### What to Expect

- The service will last approximately 1 hour, with morning tea to follow.
- Grandparents, siblings and others are very warmly invited to join us.
- Students (incl. siblings in other Waka) are expected to wear their dress uniform.
- A collection will be taken to assist the running of the parish.
- We will be celebrating Holy Communion
- Selected students will be reading and praying during the service.
- At the end of the service all students will lead a sung blessing.

### COVID19 Precautions

If we are at Alert Level Two, then the school service will be postponed, as in-person services are limited to 100 people

If we are at Alert Level One, it is still wise to follow general protective measures when gathering. This will include

- Please stay home if unwell
- Sign in either with QR code or paper
- Wash and sanitise hands
- Communion distributed with bread only

### Questions?

Feel free to contact your classroom teacher or Rev'd Ben if you have any questions.

## An Update from the Board of Trustees Review Committee

## 2020 Term 3 – Policy Reviews:

**\*\*\*WE NEED YOUR INPUT PLEASE\*\*\***

This term we are reviewing the following policy and invite your feedback (anonymously if desired), as part of our three-year review cycle.

### **Learning Support**

It is from this policy that procedures that relate to the way our school operates are developed. For this reason, we want to encourage parents to become familiar with our policies and recommend any changes that might be required.

Giving feedback on the policy is **VERY EASY!!**

1. Go to [www.schooldocs.co.nz](http://www.schooldocs.co.nz) and click on search for your school.
2. Type "St Marks School"
3. Pick "St Marks School"
4. Enter the following  
Username: stmarks  
Password: saint
5. Find the policy that's up for review, read it, click on the red bubble in the top right-hand corner of the policy and enter your feedback. (if there is no red option, pick the green speech bubble instead).

The cut off for feedback is the last day of Term 1 – **Friday 25<sup>th</sup> September 2020.**

## 2020 Term 3 - Assurance:

The role of the St Marks Board is also to gain **ASSURANCE** that our operational policy and procedures are being operationalised within the school.

This term we will undertake assurance on a variety of areas including:

<u>Employer Responsibility</u>	<u>Health, Safety and Welfare</u>
- Appraisal of the Principal	- Physical Restraint - Risk Management - Safety Management System - Surrender & Retention of Property and Searches - Medicines, Minor/Moderate Injury or Illness - Risk Management

## AN IMPORTANT MESSAGE FROM YOUR FAIR COMMITTEE

*Ko te angitu ehara i te mahi a tetahi, engari ko te mahi a te tokomaha.*

**Success is not the work of one, but the work of many.**

First, our heartfelt thanks to those of you who are already raising your hands to offer your help and requesting jobs as our 2020 school fair draws closer. Its awesome people are coming on board already.

We want to explain a little bit about the fair and why it is so vital that everyone, as much as possible, is a part of this amazing event.

The fair is our major fundraiser for the year, that we, as parents, can put on for the wider Christchurch community as a means of securing funds for a range of resources that, otherwise, we simply would not be able to provide at school.

Every little bit that each family provides, whether this is in resources or time, is what makes the fair a success.

It's also a great way to get to know other St Mark's families who are getting involved and have fun as a school community.

Contributions for baking, the white elephant, fair prizes, tombola jars, horticulture and other fair mainstays will be asked for in the coming weeks. As well as that, we need lots of help on and before the big day. Even an hour or two on a stall or helping with packing down and /or sorting is appreciated.

Your contribution is hugely valued, and we are looking forward to putting on an event altogether in a few weeks' time.

Remember to fill in your availability forms and keep an eye out for our fair correspondence which we promise will be kept to a minimum....sort of...;)

Next week **THE FAIR GOODY BAGS** will be sent home with the eldest sibling of each family, look out for those, an important and vital part of the fair preparations.

Many thanks and here's to an excellent fair season!
