

# St Mark's School Newsletter

Term 2 Week 3  
16 May 2018

Kia ora everyone,

As week three is in full swing there are some photographs in this weeks newsletter offering a hint of some of our week's happenings. Schools are busy dynamic places! I asked someone what "learning" meant the other day! It is a verb, and a noun and sometimes an adjective - but how do we know it has happened? I would love to know your thoughts - drop me an email because we will pick this up at our **Assessment for Learning forum on Wednesday 6th July Week 10**. Bring your coffee from the coffee cart to Ōmoho and share the discussion on what Assessment for Learning at St Mark's School looks like and the wonderful work staff are doing to provide you with an accurate picture of progress and achievement.

## Staffing

There have been some challenges for individual staff members to start the term. Bereavement, Injury and Surgery have all featured in the lives of our staff in the last 3 weeks. I have felt very fortunate that we have a bank of previous staff and staff well known to children who are able to join us for extended periods of time. The other strengthening factor has been that our collaborative planning model ensures that at least one other staff member understands the programs operating in classrooms well. Teaching and learning delivery can be seamless. We accept there is a natural disruption without the class teacher, but at times the health, welfare and wellbeing of staff takes priority. We do thank you for your patience and understanding at these times.

## School Values - Grace, Courage, Excellence and Faithfulness

These values - consulted on, discussed and decided on in 2016 are beginning to form as the quiet backdrop to all we do in our school. Staff have them displayed, offer thanks when students show them and give further life to them when they highlight them or specifically teach them. They are for our whole community and don't just operate between 9.00am and 3.00pm! So it is always with great joy to see them given voice by a student. The following was written by **Amelia H in Paua**. It is written from a teacher's perspective! And so beautifully explores how the values can be given flight! See the original later in the newsletter.

*We will make your child full of **Excellence**, in their work, friends and companionship.*

*We will help your child to have **Courage**, to make new friends and not to be scared to do what's right.*

*We will teach your children to be full of **Grace** - to let others have turns and not to push in front.*

*We will lead your child in **Faithfulness** in God our Saviour.*

## Kōrero Mātauranga - let's talk about Education

<https://conversation.education.govt.nz/>

Please follow the link to a survey to have a voice about the changing landscape of Education. This survey is open to all and we would love it if people from the St Mark's community offered their opinion - the changes are unknown but will be significant.

## Parent/Teacher Interviews

These scheduled for Week 9 and the booking schedule will be open at the beginning of week 8. These interviews will be for **Years 3 - 8 only**. Anniversary reporting and interviews in Mokihi **Years 0 - 2**, are conducted at the child's age throughout the year.

## Teacher Only Day 5th June

Just a reminder that this day is a teacher only day and staff will be at school on this day involved in professional development related to Mathematics and Assessment.

Blessings everyone, Averil.

*Transforming lives through the St Mark's Story*

Paua	Rosa T
Mako	Max Y
Wheke	Plumm T

## Strike to Schools Concert

Unfortunately, due to illness, the Strike Percussion group are unable to perform at our school tomorrow. I am so disappointed as the show is supposed to be amazing and it is so wonderful for our students to attend live performances.

They will reschedule later in the term or at the beginning of next term.

Emily Wells  
Lead Teacher Music

## Sports Results

St Mark's Leopards (Yr3) 3 v Mt Pleasant 6  
Player of the Day: Tessa C

## Cross Country

This annual event was held last **Friday 11th May**. We were thrilled that the rain held off and that the event could happen with every student participating.

The senior event at Hansens Park was well organised and I thank **Mrs Maree Bigelow** in her first year at St Mark's School for her attention to detail.

The junior event was held at the last minute at school and proved a perfect setting for some incredible running!

We thank all the parents for their support on the sideline but also want to make special mention of **Max W and Ben M** our sports leaders who showed outstanding leadership, organisation, and support of Mrs Bigelow. Other year 8 students ran with Juniors, helped with injuries and generally supported the day. What a family! Congratulations to winners and runners and our St Mark's School Cross Country Team announced to represent our school at the Independent Zone Cross Country **Monday 21st May**.

### Year 5

#### Boys

Ioli K  
Rafi W-S  
Max P  
Theo Y

#### Girls

Olivia M  
Julia M  
Jasmine G

### Year 6

#### Boys

# E-Learning Update

Thank you for supporting our Waka Hourua Bring Your Own Chromebook (BYOC) programme.

**Over 70% of Waka Hourua students now bring their own Chromebook to school.**

This fantastic BYOC uptake has enabled us to transform the way we teach, creating new and exciting learning opportunities and developing 21st century learning skills. Equitable access is important to us. We continue to provide access to Chromebooks at school, but these are shared one between two.

Our Chrome Education Licence system is proving to be of great benefit to students as we customise the online learning environment and do our best to keep students safer online. Please be aware that a Chrome Education Licence is required to join our BYOC programme. Licences are included in the recommended Cyclone bundles, or can be purchased for \$48 from the office.

You may have noticed that our blogs are no longer being updated. This is because we are exploring a better way to share our students' learning: Seesaw. When we are satisfied that Seesaw is beneficial for our St Mark's School Family, there will be a schoolwide launch.

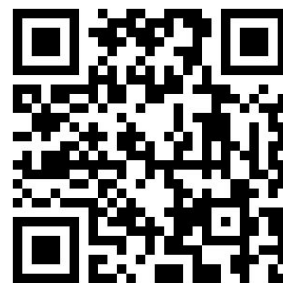

Please continue to share your feedback and questions with us.  
We would love to hear from you!

Cristy Yonetani  
E-Learning Lead Teacher

# Go BYOC Any Time

All Chromebooks meet our minimum required specifications. We recommend purchasing through the Cyclone portal, as these particular models have been tried and tested in schools across New Zealand.

BYOD Made Easy

OUTCOMES THROUGH TECHNOLOGY

Visit [www.cyclone.co.nz/byod](http://www.cyclone.co.nz/byod). Select your school name and you will be redirected to your schools specific portal login page. Enter the login name and password given to you from the school.

## Why purchase through Cyclone?

- **Solutions to fit your school:** Avoid potential confusion on which device to buy -- your school's portal only features devices with specifications that fit the minimum recommendations of the school.
- **Education pricing:** Take advantage of Cyclone's special education pricing thanks to their high-level partnerships with vendors.
- **Quality warranty & insurance options:** Cyclone lists devices with a three-year warranty as part of their device bundles, plus excellent insurance options with super-low excess.
- **Easy Checkout:** Cyclone's checkout process makes it simple to add the items you want to your cart and then complete your order. A variety of payment options are available, including credit card and direct deposit. Shop online, anytime!
