

# St Mark's School Newsletter

Term 2 Week 7  
13 June 2018

Kia ora parents and whanau,

This is a week of significant activity - Thursday year 5 and 6 sport, Junior swimming, Year 8 camp in Hanmer, choir rehearsals, drama club, chess club, Civil Defence Learning for years 3 - 5 and football with Jae for years 3 and 4. In addition staff are putting the finishing touches to the mid-year reports which can form the basis for discussion at the mid-year parent/teacher interviews. And it is always great to hear of what families are doing outside of school in the busyness of life.

## Year 8 camp

Early reports are that the Year 8 camp is going very well. **Ms Cristy Yonetani** let me know that most of the group climbed most of the waterfall track in muddy conditions but that is was a great effort from all students. Students are also doing some of the cooking and she described the dinner on the first night as "edible". **Mr Adrian Rennie and I** head to Hanmer this evening to join Ms Yonetani and support the year 8 leaders camp. We have a stunning group of leaders in this cohort who have worked hard to work together taking the lead in various areas of the life of the school. There are some stunning pictures later in the newsletter.

## Mokihi at Church THIS Sunday 17th June

If you are in Mokihi you will have had a personal invitation from Rev. Ben Truman to the service at **St Anne's this Sunday at 10.00am**. All family members are welcome to attend as we seek to continue the tradition of attending one service per year at the Opawa/St Martin's parish service. Please ensure your child is formally dressed in school uniform with blazers - boys in white shirts please. The students will lead the congregation in the singing of two doxologies. I look forward to joining with you.

## Reminders:

- Parent Teacher Interview Booking online - [www.schoolinterviews.co.nz](http://www.schoolinterviews.co.nz) - code s3w3j
- Thursday 21st - Sport/Cultural/Leaders Photographs
- NZEI Paid Union Stop Work meeting - Wednesday 26th June
- E-Learning Hui - Wednesday 26th June 2.30pm - 4.00pm

## Association of Integrated Schools Conference

I am thankful to the Board of Proprietors for supporting my attendance at the conference in Wellington this week. This is made more special by the presence of **Rev. Ben Truman**. It is a great opportunity to press pause and understand the political landscape of our sector, hear of the stories from similar schools and learn more of property, economics, legal policy, governance changes, Pasifika Education and what the new Digital Technology Curriculum might mean for our school. Whilst the expressions of Special Character are different within this group of schools, there is a strong commitment at an Executive level to support the choice that Special Character schools offer parents and whanau. The sector represents 11.4% of all students in the country which is significant.

There is no doubting that we are in a period of significant change in Education in New Zealand with large numbers of working parties working on behalf of the Coalition Government. Can I encourage you to lobby your local MP in support of the work of Integrated Schools remembering we are the only full primary state-integrated Anglican school in the South Island!

Blessings to you all

Averil

## YEAR 8 CAMP - HANMER SPRINGS

## Letter to send to parents

Dear Parents,

You may be aware of the nationwide crisis in recruiting and retaining teachers.

While there are many more children coming into the school system, there are not enough new teachers being trained. Urgent and significant changes are needed to ensure that the teaching profession can attract the people it needs and to ensure class sizes do not start to increase.

On **Tuesday 26<sup>th</sup> June**, the teachers from this school will be attending a NZEI Te Riu Roa paid union meeting regarding the *Kua Tae Te Wā* - It's Time campaign. The campaign aims to free teachers to teach and principals to lead, by getting the additional support and staff that schools need. The meetings will allow our teachers to discuss how the Ministry of Education has responded to changes that the union is seeking.

Our teaching staff are members of NZEI and legally entitled to attend this meeting. The teachers will be leaving school on **Tuesday 26<sup>th</sup> June at 1.30pm** to attend their paid union meeting which starts at **2.00pm**.

I strongly encourage parents to make arrangements to pick your children up from school by 1.30pm on **Tuesday 26<sup>th</sup> June**. If you are unable to pick your children up then, please advise us so that your children can be supervised until **3.00pm**.

I appreciate that this creates some inconvenience for families. However, I encourage you to support your teachers as they strive to achieve the changes which will safeguard quality education for all children and ensure we make teaching an attractive profession for graduates.

Anyone who may need help with arrangements should contact the office.

Sincerely

Averil Worner

# E-Learning Update

Thank you for supporting our Waka Hourua Bring Your Own Chromebook (BYOC) programme.

**Over 70% of Waka Hourua students now bring their own Chromebook to school.**

This fantastic BYOC uptake has enabled us to transform the way we teach, creating new and exciting learning opportunities and developing 21st century learning skills. Equitable access is important to us. We continue to provide access to Chromebooks at school, but these are shared one between two.

Our Chrome Education Licence system is proving to be of great benefit to students as we customise the online learning environment and do our best to keep students safer online. Please be aware that a Chrome Education Licence is required to join our BYOC programme. Licences are included in the recommended Cyclone bundles, or can be purchased for \$48 from the office.

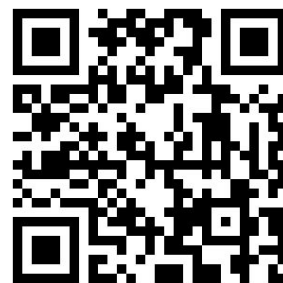

You may have noticed that our blogs are no longer being updated. This is because we are exploring a better way to share our students' learning: Seesaw. When we are satisfied that Seesaw is beneficial for our St Mark's School Family, there will be a schoolwide launch.

Please continue to share your feedback and questions with us.  
We would love to hear from you!

# Go BYOC Any Time

All Chromebooks meet our minimum required specifications. We recommend purchasing through the Cyclone portal, as these particular models have been tried and tested in schools across New Zealand.

BYOD Made Easy

OUTCOMES THROUGH TECHNOLOGY

Visit [www.cyclone.co.nz/byod](http://www.cyclone.co.nz/byod). Select your school name and you will be redirected to your schools specific portal login page. Enter the login name and password given to you from the school.

## Why purchase through Cyclone?

- **Solutions to fit your school:** Avoid potential confusion on which device to buy -- your school's portal only features devices with specifications that fit the minimum recommendations of the school.
- **Education pricing:** Take advantage of Cyclone's special education pricing thanks to their high-level partnerships with vendors.
- **Quality warranty & insurance options:** Cyclone lists devices with a three-year warranty as part of their device bundles, plus excellent insurance options with super-low excess.
- **Easy Checkout:** Cyclone's checkout process makes it simple to add the items you want to your cart and then complete your order. A variety of payment options are available, including credit card and direct deposit. Shop online, anytime!

# I'M KEEPING MY WHĀNAU WELL THIS WINTER

GETTING THE FLU SHOT EVERY YEAR IS YOUR BEST PROTECTION AGAINST CATCHING OR SPREADING THE FLU.

Flu shots are available from your GP team or some pharmacies. You or your whānau may even qualify for a free shot.

Check out [www.flufree.co.nz](http://www.flufree.co.nz) for more info and flu facts.

Newsletter Notice

**Get ready for flu season – protect your whānau and community**

Colder weather also brings along a nasty passenger – the flu.

As you may have seen in the media, it's been a terrible flu season in the Northern Hemisphere, which is a possible predictor for what we may see here.

Families in the Hurunui and Kaikōura districts can once again ensure their children have the best protection available against the flu this winter – and it won't cost a cent! Young people from six months to 17 years of age living in the Kaikōura and Hurunui areas (within the Canterbury District Health Board) can receive free flu shots.

Influenza infection rates are generally highest in children and healthy children are the major cause of the spread of the virus in the community. Around 80 percent of people infected show no or minimal symptoms so you can spread the flu bug without knowing you have it – and the elderly, pregnant women and people with chronic health conditions are particularly vulnerable.

Canterbury District Health Board is urging you to protect your whānau and the wider community by getting your flu shot as soon as possible. This year's vaccines have been specially formulated for New Zealand and are expected to offer protection against the strain that was circulating in the Northern Hemisphere.

While flu shots are free for under 18s, they're available for anyone for a fee from a doctor, nurse or some pharmacists. You or your whānau may qualify for a free shot as well – check out [www.flufree.co.nz](http://www.flufree.co.nz) for more info and flu facts.
