Curriculum

As staff work through a review of teaching and learning in the area of mathematics, we have been reminded about what is best practice. What is a constant tension in the practice for teachers across New Zealand, is meeting the needs of all students. Our recent focus has been on using evidence and data to monitor achievement and improve our practice. These things occur in tandem but never sit outside community and whānau partnerships. It is our plan in Term 4 to come to our community seeking vision to co-create a vision for our curriculum development. Our special character will be central to this.

Blessings
Averil

An update on YOUR fundraising efforts so far – as we approach the halfway point of term 3, I believe it prudent to update everyone on our collective fundraising efforts so far this year. Back at the beginning of the year YOUR PA working in consultation with Mrs Worner and the school's management team set a goal for this year's fundraising monies and that goal is to redevelop the school playgrounds. We set a target of \$40,000 for this purpose. So far this year we have held a hugely successful quiz night, sold many coffees and fluffies' via the coffee cart, sold numerous Entertainment Books and held 2 school discos.

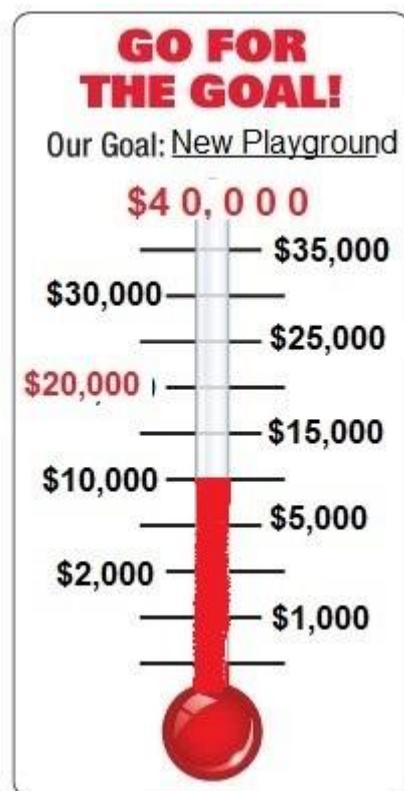

I am pleased to say that so far, our collective efforts as a community has put us in a very commanding position as we head toward the annual St Mark's School Fair. To date we have raised \$10,000 towards our goal of \$40,000. We still have much to do, but if we keep working together, we shall achieve our desired target.

So, carry on buying those coffees and fluffies, support the upcoming School Production, especially the special Café we shall run for pre-show and intermission snacks and goodies and of course our single BIGGEST fundraiser of the year the School Fair. More details on this year's Fair will be announced next week so keep an eye out on how YOU can Support YOUR Child and School through the school fair.

I'd like to say a BIG THANKYOU to Ashleigh Wendt and Victoria Holden for all the planning and organising of our recent School Disco or should that be DisGlow what a wonderful sight to see all the unique tee shirts designs and face painting. Also thank you to DJ 'Ali' Alice Tabak for keeping us all in the Groove and to our wonderful PA Parents for keeping the drinks and chips flowing.

On behalf of the Parents' Association THANK YOU!
