

St Mark's School

Transforming lives through the St Mark's Story

12 March 2021

Dear St Mark's extended whānau,

It is with great pleasure that I announce that the St Mark's School Centenary will now take place at **Labour Weekend 2021 - 22nd to 24th October.**

All events on the program will be run as scheduled.

The committee is grateful that the Transitional Cathedral is available for the Centennial dinner that night and that our caterers are too!

The committee is so thankful for those who have expressed their support of our decisions and look forward to welcoming you all in October.

Sincerely
Averil Worner
Principal/Tumuaki
St Mark's School
On behalf of the Centennial Committee
