## Te Kura O Hato Māka

# Our Vision Statement

*With God at its heart, St Mark's will honour its history and traditions whilst fostering change across all dimensions of the lives that it touches. We partner with parents/whānau to encourage every learner's unique gifts and talents, to grow every learner's love of learning so that they have the skills and knowledge to serve God and others in an ever changing world.*

# Our Story - A brief history.

•St Mark's School is a decile 10, Grade U4, Anglican state-integrated full primary school, located in Ōpawa Christchurch. Opened in 1921 as a private school, St Mark's became established as an integrated school in 1989. The school's special character, based on the Anglican mission of the church in Aotearoa, New Zealand and Polynesia is expressed through regular worship and prayer lead by the vicar of the St Mark's parish, religious education instruction in classrooms and promotion of strong Christian values of fellowship, love and inclusion. St Mark's School Board of Proprietors have an Integration Agreement with the Crown ratified by the Crown late in 2017. This establishes the "Five Marks of Anglican Mission", as crucial to the outworking of the special character of the school. A memorandum of understanding between the Board of Trustees and the Board of Proprietors was signed in 2016, strengthening the governance roles of both Boards.

•As a Special Character state-integrated school, we embrace the New Zealand curriculum, while reflecting a Christian worldview.

•The roll is expected to reach 245 by the end of the year. The school is divided into 3 Learning Teams – Junior/Mokihi, Middle/Waka Puhara and Senior/Waka Hourua. Currently we have composite class levels in Years 1 and 2 and all other classes are single year levels.

•

•The Integration Agreement sets out ratios of tagged positions within the school, however all staff are required to attend church services and actively support the special character of the school as laid down through Anglican formularies. There are several part-time staff including beginning teacher release, ORS, teacher aides and teacher release. There is a talented range of support staff including the office manager, part-time office assistant and caretaker.

•The school is well supported by an active and responsive Parents Association, who fundraise to support the purchase of resources, as well as providing a hospitality role, vital to the family-oriented community. Our families come from a range of denominations representing the wider Christchurch community with 95% preference and 5% non-preference families among the number.

# St Mark's School Charter, Strategic and Annual Plan

1.The Strategic and Annual Plan of St Mark's School – 2023

2.It is expected that the school will cover all areas of the New Zealand Curriculum.

3.There will be a focus on Progress and Achievement while not forgetting the importance of the foundation skills of Literacy and Numeracy, Te Reo Matatini and Pāngarau.

4.The Five Key Competencies: Thinking, Relating to Others, Using Language, Symbols and Texts, Managing Self, and Participating and Contributing – are outworked at St Mark's School through the **Habits of Mind**. Considerable work has gone into aligning the Habits of Mind with the Key Competencies, stressing the links between them. Progress and Achievement in these areas are reported to parents/whanau as part of the school's reporting cycle.

5.Current schoolwide priorities centre around: local curriculum development, using innovative ways to understand teacher impact with evidence, the promotion of the special character of the school through the Anglican Five Marks of Mission and the development of sound formative and summative assessment for learning tools that track progress and achievement with equity and excellence as the goal for every student.

# Our Story - Our cultural narrative

The school worked closely with Mātauraka Mahaanui to develop culturally sustainable practices and bring their cultural narrative to life in redeveloping the school. This ensured that the operational significance of the school in the Opawa area was at the forefront of the school's Board of Proprietors engagement with construction companies and contractors.

Mātauraka Mahaanui then Board Chair, Lynne Harata Te Aika, began work with the school in 2015 to explore how their values could align with te Ao Māori (Māori worldview). As a special character school, St Mark's has strong, established Christian values centred around the [Five Marks of the Anglican mission](#) (TELL, TEACH, TEND, TRANSFORM and TREASURE).

# Our Story continued - our values

The school community identified values to express the mission's marks and reflect the tone and special character of St Mark's School. Lynne selected the appropriate words in te reo Māori:

- Grace – Huatau
- Excellence – Hiranga
- Faithfulness – Piriponotanga
- Courage – Māiatanga

**Huatau**  
**Grace**

Through grace,  
we act with  
compassion  
and humility

**Hiranga**  
**Excellence**

to achieve  
excellence,  
using the potential  
of our God given  
talents and gifts.

**Māiatanga**  
**Courage**

This gives us the  
courage to act to  
bring about change,

**Piriponotanga**  
**Faithfulness**

as we show  
faithfulness to God  
and others.

# Our Story - our cultural narrative continued

There is also a strong connection for students and whānau to the overarching concept of tūrangawaewae – ‘a place to stand’ that reflects a strong sense of being empowered and connected with the school and community.

Mātauraka Mahaanui and the staff worked together to develop names in te reo Māori for important elements of the school. Students progress from Mōkihi (years 0-2), to Waka Pūhara (years 3-5), to Waka Hourua (years 6-8). Each of the base groups (hapori) or teaching teams connect with a native plant or bird. Names and concepts are also reflected in teaching and learning opportunities.

# Our Story - Our waka, hapori and Junior School

**Mōkihi - *Aukaha kia kaha*  
*Strengthen the bindings***

# Our Story - Our waka, hapori and Middle School

**Waka Puhara - *Kia kotahi te hoe o te waka***  
***Let's paddle in unison***

# Our Story - Our waka, hapori and Senior School

**Waka Hourua - *He moana pukepuke ka ekengia e te waka***  
***A choppy sea can be navigated***

# Recognizing New Zealand's Cultural Diversity

St Mark's School, as appropriate to its community, will develop procedures, practices and programs that reflect New Zealand's cultural diversity and the unique position of the Māori culture as first peoples and indigenous to New Zealand. St Mark's School will take steps to honour the memorandum of understanding between Ngai Tahu and the Ministry of Education, and provide instruction in Tikanga (Māori culture) and Te Reo Māori (Māori language) for all students.

## **FOR STAFF THIS MEANS:**

1. Pursuing a high level of understanding of Tikanga Māori and Te Reo Māori.
2. Having sound knowledge and understanding of the implications of the Treaty of Waitangi.
3. Having high expectations of Māori and Pasifika learners.
4. Understanding the unique Māori and Pasifika cultures.

## **FOR LEARNERS THIS MEANS:**

For all learners at St Mark's School instruction in Taha Māori and/or Tikanga Māori will be provided as part of the curriculum. Instruction in Te Reo Māori will take place in consultation with the community with a long term view of delivery.

Access to strong Christian based Kapahaka programs that embed Te Reo and faith in action.

## **FOR SCHOOL MANAGEMENT THIS MEANS:**

Analysing achievement and progress for Māori and Pasifika learners not only those at risk.

Setting specific targets specifically related to progress and achievement of Māori and Pasifika learners.

Working with specialist teachers/Māori teachers and whanau to create action plans to meet the needs of learners.

## **FOR COMMUNITY THIS MEANS:**

The views and concerns of Māori and Pasifika communities will canvassed, incorporated and driven through consultation.

# Strategic Goals and Annual Plan 2020 - 2023

*Transforming lives through the St Mark's Story*

## **St Mark's School Strategic Transition Plan**

## **Implementation of three key areas as a priority**

## **Impact Timings and Outcomes** Points of Action in 2023

In 2023 the St Mark's School community remain committed to building on the previous Strategic Plan (2020 – 2022) in an annual plan reflected in 3 key priority areas.

These areas have been key points in past strategic planning by the school Board, however have been updated post covid and in 2023 to bridge the transition gap to the new planning and reporting framework due for implementation for 2024.

At the heart of this transition plan are our school values – huatau/grace, hiranga/excellence, maiatanga/courage and piriponotanga/faithfulness.

In 2023 at Te Kura o Hato Māka/St Mark's School we will continue to strive for evidence based practice, educationally powerful connections and a unrelenting commitment to our community.

- **Anglican Special Character –**  
*Each community member knows and understands the gospel and has opportunities to outwork their living faith.*
- **Teaching and Learning -**  
*Through Ako in the pursuit of excellence to develop future thinkers and learners.*
- *Identify and grow every students God given talents and gifts.*
- **Community –** *Ākonga make a difference in the world through service and leadership.*

1. The Board of Trustees are committed to a refreshed/new Strategic Plan generated by whole community and stakeholder consultation .This will replace the transition document and annual plan for 2024
2. The school community will have an opportunity to share their aspirations and goals and contribute directly to the new reporting and planning framework.
3. Staff will continue to work on the mahi started to document a local curriculum.
4. Kahui Ako structures will continue to support professional learning with kaiako colleagues.
5. Professional learning in Mathematics and Statistics will be ongoing with the current provider.
6. Targeted teaching programs will be documented to contribute to the conversation about our common practice model.
7. Annual data analysis will show growth in ākonga achievement across and within levels of the curriculum.

# Priority Area One: Anglican Character

## Priority Goals

- Celebrate diversity and inclusiveness by enhancing the God given gifts and talents of every member of St Mark's School.
- Provide staff and students with opportunities to lead and serve the school, local, national and global community.
- Empower students to develop their faith in the context of the Anglican special character in our christian school.

## Indicators of success

- Celebrate individual and group success by connecting our values to the celebration of God given gifts and talents.
- Student prayers will reflect a growing awareness of God's presence in both school and personal life.
- Identification of strengths in Kaiako leading to leadership and opportunities to teach across the school through our specialist model.
- Identification of strengths and talents in ākongā leader to leadership opportunities that are mission focused in local, national and global endeavours bringing to life the Five Mark's of Mission.
- Our RE program is developmentally structured to support discussions and wonderings on faith, the bible and personal life choice.
- Schoowide development of The Lion Program which supports and encourages service and faithfulness to God and others.

# Priority Area Two: Teaching and Learning

## Priority Goals

- Kaiako will document a common practice model to analyse their own practice and make assessments of their impact on student learning.
- Ākonga will be encouraged to articulate what they know about the ways they can progress their own learning, with clear next steps and strategies.
- All staff will be supported to explore effective pedagogies for ākonga agency e.g. project based learning.

## Indicators of Success

- Successful completion of practice analysis cycles of target students.
- Gather student voice in innovative ways
- Develop ākonga self-assessment and reflection skills.
- Ākonga, whānau and staff can identify the learning strategies that facilitate personal progress and success.
- Staff to develop collective efficacy patterns for common practice model.
- Kaiako practice embeds learnings from impact analysis.
- Kaiako assess pedagogies against evidence and collaboration in Kahui Ako.

# Priority Area Three: Community

## Priority Goals

- Developing the school playground as a resource to enable ākonga and whānau to connect with the school values and cultural narrative.
- Continue to foster reciprocal educationally powerful connections with the students/ākonga at the heart of all decisions.
- We will intentionally uphold the Principles of the Te Tiriti o Waitangi and meaningfully embed Te Reo Māori and Tikanga Māori into all aspects of school life.

## Indicators of Success

- Playspace used in lesson and program design to embed the St Mark's Story and cultural narrative with visual reference points.
- Community consultation and shared planning hui with individual whānau and wider community, to gather community aspirations and voice about the strategic direction of St Mark's School.
- Critical consultation points with mana whenua to embed Te Rautaki Mātauranga – the Education Strategic Plan of Kai Tahu.
- Strengthen relationships to support learner's language, culture and identity in consultation with whānau.
- Access professional learning opportunities and experiences that create a shared h'onouring of the principles of Te Tiriti o Waitangi
