

# St Mark's School Newsletter

Term 4 Week 9  
12 December 2018

Kia ora St Mark's family,

Sitting to write this newsletter brings a natural reflection point on a year that has first and foremost been a privilege to share with your child and family. Teaching is a heart profession that interfaces with those closest to your heart - your children. That interface is reliant on relationship and communication. Together they invariably mean mistakes will be made, but more often be offset by incredible joy.

## **Year 8 Students and their families**

As we say goodbye to a memorable group of students we also say goodbye to a significant body of knowledge, love, care and support for St Mark's school in the parents and their families. Our recent Year 8 dinner was a time to celebrate their journey and be humbled by the work that has gone before to ensure the work of today. Each and everyone of these people are Alumni and leave with our unequivocal love and prayers for the future.

## **Parents' Association**

To the Parents' Association I want to extend a very public thank you and appreciation for their incredible efforts over this year. The fundraising, the support for significant social and school events, the Fair - too many to list here! In my opinion this group is without peer in terms of parents associations. On behalf of staff I want to extend sincere thanks for all you do!

## **Boards of our School**

We are blessed to have two boards in our school who work in collaboration to govern our school in complementary ways for the best outcomes for our families. I am personally thankful for all their support and expertise in relation to governance. Our recent ERO report was a resounding endorsement of both the governance and operational efforts of the school. There is always work to do but staff feel encouraged by the work that is being done in partnerships.

## **Rev'd Canon Ben Truman**

We thank Rev'd Ben for his inspirational ministry in our school, wish him a very happy Christmas and much rejoicing as he and Johannah, and extended whānau welcome the new life in their family in the new year.

## **Whānau**

On behalf of staff, I want to personally thank our wonderful St Mark's school family for all you have done this year. If you have supported us - in any way large or small - coaching sports teams, coaching hockey, making coffee, being a parent helper, going on camp, gardening, parent transport, wearable arts support, home learning support, attendance at church services, car-pooling - there is a list that is never exhaustive! We thank you and feel blessed by your unwavering support.

You are all wished peace this Christmas time and opportunities for family memories that leave indelible imprints on our hearts. Jesus came into this world as one of us - the world's most precious gift. Peace on Earth.

*"In Christ somehow, there is neither bound nor free. We are all one in Jesus Christ"* Martin Luther King Junior - last Christmas sermon.

We look forward to welcoming those returning and starting in 2019, and remember those leaving with much love and fondness.

Blessings everyone  
Averil

# PA News for 2018

Our role as fundraisers and social coordinators in the school has been a busy one in 2018. As we head into 2019 the PA is ready to assist Averil in her wish for your children to help have some of the extras that make our school so special.

We started the year with some new faces and plenty of old ones on the PA. We came together to create; The welcome back BBQ in February, Ethel and Bethel Bingo night, The Fair, Two Discos, Grandparents Day, New Families Night, Year 8 Leavers Dinner, Tea towel Fundraiser, Staff Morning Tea shout, Entertainment books, Wearable arts supper, Coffee cart, bowling and running the Uniform shop as well!

Out of the usual contributions this year we have purchased a staff set of winter Jackets and some wireless microphones. We are very happy to be looking forward to the possible arrival of some minivans in the near future. The funding of which will be possible through the work of the current and past PAs persistent fundraising

The team atmosphere required to achieve these events has meant we have developed some strong friendships, raised considerable funds for the school and had quite a few fun moments throughout the year. Sometimes I feel there is certainly a lot/too much of information shared at PA functions!

The end of 2018 is also a sad moment for us as we farewell the Cuthbert's. Sarah and Hamish have been an integral part of the school for many years now. Hamish has served on the Board. Sarah has served the PA for many years and has been secretary for the last 2 as well as managing the coffee cart. She has been a steadying hand and constant source of goodwill and friendly banter. We couldn't have done it without her. We are going to miss you both Sarah and Hamish and wish you and your family all the best.

Our AGM is on the 11<sup>th</sup> of February and we would love to see you there if you would like to join the PA.

From all on the PA I would like to wish you a safe and relaxing Christmas.

Susan Bain  
PA President

*and Happy Holidays  
from the Coffee Cart Team*

*Thank you to all our regular fluffy and coffee drinkers. We look forward to seeing you and new faces in 2019. Our last day will be Friday.  
Please have a look at our IOU list and check your name isn't on it. We would really love to have this list clear.*

*A very special thank you to all the Coffee Cart's wonderful volunteers.*

#### An Update from the Board of Trustees Review Committee

**WE NEED YOUR INPUT PLEASE**

### **2018 Term 4 – Policy Reviews:**

This term we are reviewing the following policies and invite your feedback as part of our three-year review cycle.

- Religious Instruction
- Improving Educational Outcomes for Māori Students

It is from these policies that the procedures are developed in relation to the way the school approaches these things operationally. For this reason, we want to encourage parents to become familiar with these policies and recommend any changes that might be required.

Feedback can be given anonymously if you choose

## Which Chromebook?

Any Chromebook (device with the official Chrome logo) will meet our minimum system requirements. Beware of old Chromebooks that may look similar, but don't perform as well as the newer ones. Google demands high standards for hardware manufacturers to earn the Chrome logo, and these standards have increased over the years. A newer Chromebook is likely to be better. Touchscreen and tablet mode are lovely optional features, which are definitely worth considering.

### Why not Apple or Microsoft?

Only Chromebooks can support a Chrome Education Licence, which offers the best safety, security, and learning environment for our students. Through a two-year trial and community consultation process, we have chosen Chromebooks as the best fit for our school.

We love our iPads in Mōkihi! Apple and Microsoft offer some great products, but we are a BYOC, not BYOD school.

## Why do I need a Chrome Education Licence?

### Learning

Chromebooks are for learning. A Chrome Education Licence provides the best online learning environment for our senior students. It means that the apps and sites work at home, exactly the way they work at school. We are able to customise the learning environment to meet students' needs.

### Security

The Chrome Education Licence restricts sign in to users with an @saintmarks.school.nz account. Siblings may sign in with their school accounts to share the Chromebook at home. If a Chromebook is stolen, we can remotely disable it.

### Safety

The Chrome Education Licence disables the ability to powerwash (return to factory settings). This prevents students from bypassing our safety and security measures. Students are unable to delete their browsing history and are responsible and accountable for how they use their Chromebooks.

*Please be aware that while we do our best to keep our students safe online,  
no device is 100% safe.*

*We strongly encourage families to be actively involved in our students' e-learning.*
